Our salads

We make different salads throughout the year, and unless you request something specific, we'll send you whatever our chefs are making that day. Here are a few examples of the kinds of things we do, but give us a call to see what we're making at the moment:

- Green bean, mangetout, sugarsnap, hazelnut & orange salad
- Couscous, broad bean, pea & pancetta salad
- Coleslaw

Our Cake

All of our cakes are handmade in our kitchen at the deli- and, though we say it ourselves, they are just really, really good!! We usually send two different varieties including delicious homemade chocolate brownie, and one other, which may be lemon drizzle cake, coconut & lime cake, toffee and banana cake, carrot cake, pear and maple syrup cake, chai cake.... and more!

Our Cheeseboards

We stock an extensive range of local and continental cheeses. If there is a particular cheese you would like – please ask- otherwise, we'll just send you a selection of whatever beautiful cheeses we have in stock, together with some handmade Yorkshire chutney.

Our Labelling

We think that people like to know what they're eating, so every item on your lunch has it's own label. The label also states if a product is dairy free, gluten free etc, and lists any notifiable food allergens. We just think that helps.

We can also do breakfast meetings. We have croissant, pain au chocolate, bagels, fruit, yoghurt & our famous bacon sandwiches. Give us a call and let us know what you'd like!
