## **Create Your Own Hamper**

If you would like to create your own hamper- just give us a call or pop in. We can make up hampers of any specification to suit your budget. Your hamper can be made in a traditional hamper tray or in a Haley & Clifford reusable jute bag- just let us know which you prefer. (If we're shipping your hamper- we prefer to use a tray- it's just a bit more robust for our courier to handle!)
