We do our best to ensure that your hamper looks just like the picture, but now and again we may need to substitute the odd product.

Create Your Own Hamper

If you would like to create your own hamper- just give us a call or pop in. We can make up hampers of any specification to suit your budget. Your hamper can be made in a traditional hamper tray or in a Haley & Clifford reusable jute bag- just let us know which you prefer. (If we're shipping your hamper- we prefer to use a tray- it's just a bit more robust for our courier to handle!)
